Diu has many old historical buildings & Govt. properties of historical importance. Some of the buildings are functioning as Govt. office. Also, it is seen that, we have not enough display boards in Diu District which can immediately give the information about the particular place history to the tourists.

Therefore, it is directed to all HO's to provide whatever information is available with the departments, whether about history of the building or importance of the place etc. to the undersigned, so that, necessary arrangement of signage boards can be done & displayed at particular location for information to the tourists/visitors.
