

Homestay Policy

- Homestay will provide economical and good quality stay facility for the tourists. It will also facilitate interaction between the local inhabitants and the tourists to promote cultural identity of the UT.
- This will promote access of Diu for the middle income travelers by providing economical lodging/accommodation facilities and enable them to spread awareness about the culture of Diu.
- Therefore, UT administration has already notified the Homestay policy under Tourist Trade Act, 1982.
