## 1. BACK GROUND

Promenade Development for Diu Town from Diu Bus Station up-toFort, Diu is proposed by Public Work Department. The proposed promenade development is situated beside the sea on south direction of Arabian Sea. The process of acquisition of the proposed land is to be executed as per the procedure and guidelines specified in the Act & Rules given below:

- Right to Fair Compensation and Transparency in Land Acquisition , Rehabilitation and Resettlement Act 2013 (RFCTLARR Act 2013)

As per section 4 of the RFCTLARR Act 2013, a Social Impact Assessment study (SIA) is required to be carried out before initiating the land acquisition under section 11 of the said Act. Accordingly, consultation process with concernedMunicipal area and affected population wascarried out for ascertaining the social impact on the proposed land acquisition on the affected Municipal area.

The SIA reportprepared by Social Impact Assessment Team provides detail information on the land acquired:-

- Enumeration of the Land losers
- Socio-economic profile of affected village and Panchayat
- Number of families to be displaced
- Number of built-up structure to be affected and their nature of use
- Inventory of stake holders
- Inventory of vulnerable groups
- Assessment on the extent and intensity of positive and negative social impact of land acquisition and project implementation
- Social Impact Management Plan (SIMP)
